

Design Concept Information

Forest Service Recreation Residence Rebuild

Permit Holder Information

Permit Holder Name: _____

Permit Holder Phone Number: _____

Permit Holder Email Address: _____

Permit Holder Primary Residence Mailing Address:

Address Line 1	Address Line 2	City	State	Zip Code
----------------	----------------	------	-------	----------

Special Use Permit Information

Tract: _____

Lot Number: _____

Authorization ID (In the upper left corner of your Special Use Permit, ex. PVL1234): _____

APN: _____

Authorized improvements, as shown on the face of the permit:

Conditionally accepted improvements, if any, as shown on the face of the permit:

Recreation Residence Concept Information

Name & Contact Information

Architect

Name: _____

Phone Number: _____

Email: _____

Design Concept Information

Engineer

Name: _____

Phone Number: _____

Email: _____

Contractor

Name: _____

Phone Number: _____

Email: _____

Foundation

Foundation Type: _____

Foundation Material: _____

Cabin Size & Dimensions

Cabin Footprint: _____

Cabin Square Footage: _____

Cabin Height: _____

Deck/Walkway Square Footage: _____

Siding

Siding Material: _____

Siding Paint Color/Stain (Brand & Name): _____

Roof

Roof Material: _____

Roof Paint Color (Brand & Name): _____

Type of Chimney/Stove: _____

Flue Material: _____

Design Concept Information

Exterior Lighting

Lighting Brand & Style: _____

Color: _____

Location on Cabin: _____

Propane Tank

Propane Tank Location : _____

Propane Tank Paint Color (Brand/Name): _____

Doors & Windows

Front Door Brand & Style: _____

Front Door Paint Color/Stain (Brand & Name):

Front Door Trim Paint Color/Stain (Brand & Name):

Back Door Brand & Style: _____

Back Door Paint Color/Stain (Brand & Name):

Additional Exterior Door Brand & Style:

Additional Exterior Door Paint Color/Stain (Brand & Name):

Front Door Trim Paint Color/Stain (Brand & Name):

Window Brands, Style & Paint Color/Stain (Brand & Name):

Design Concept Information

Deck, Walkways & Underpinning

Deck Dimensions: _____

Deck Material: _____

Deck Color Paint/Stain (Brand & Name):

Deck Railing Material: _____

Deck Railing Style Design: _____

Deck Railing Color/Stain (Brand & Name): _____

Underpinning Material: _____

Underpinning Style: _____

Underpinning Paint Color/Stain (Brand and Name):

Walkway Material: _____

Walkway Dimensions: _____

Utilities

Underground Utility Trench Depth & Width:

Underground Utility Location (Coordinates):

Solar Panel Brand:

Solar Panel Dimensions:

Location of Solar Panels on Cabin:

Electric Car Charging Station Model:

Design Concept Information

Electric Car Charging Station Voltage:

Electric Car Charging Station Amperage:

Electric Car Charging Station Connection Type:

Location of Electric Car Charging Station:

(i.e. inside the cabin or coordinates of exterior charging post)

Sanitation Systems

Sanitation System Type (including incinerating and composting toilets, septic systems, and grey water systems, if any): _____

Material & Dimensions of Septic Tank, if any: _____

Coordinates of Septic Tank, if any: _____

Length of septic transmission lines, if any: _____

Location of septic transmission lines, if any: _____

Volume of septic (gallons), if any: _____

Coordinates of Leach Field, if any: _____

Grey Water System Dimensions, if any: _____

Coordinates of Grey Water System, if any: _____

Length of Grey Water Transmission Lines, if any: _____

Coordinates of Grey Water Transmission Lines, if any: _____

Water Systems

Water Source: _____

Water Rights Information: _____

Transmission Line Length & Coordinates: _____

Design Concept Information

Pump Type, if any: _____

Water Storage Size, Type, & Coordinates, if any: _____

Water Filtration Type & Coordinates, if any: _____

Drainage

Drainage plans (if any): _____

Additional exterior design components or proposed improvements:

Design Concept Information

Concept Drawing Checklist ✓

Please include the following information on your cabin design concept illustration. Documents should be submitted to Permit Administrators as a PDF to the following email address:

SM.FS.PVL-REC-RES@USDA.GOV

Alternatively, you may mail documents to the Placerville Ranger Station at the following physical address: **4260 Eight Mile Rd. Camino, CA 95709**

Please ensure all items are listed and drawn to scale. Concept plans will be reviewed in the chronological order they are received.

Permit Holder Name	
Tract & Lot #	
Authorization ID	
APN	
Legend including Scale, north arrow, other relevant symbols	
Plot plan drawn to scale	
Cabin footprint dimensions (sq ft) drawn 1:1/4"	
Cabin height, as measured from existing adjacent grade from all elevations and proposed adjacent grade from all elevations	
Existing and proposed elevation lines on plot map	
Finished grade	
Type of foundation	
Deck dimensions, including porch, stairs, patios, railing and walkways (sq ft) and proposed material	
Deck railing design	
Driveways and parking areas dimensions and materials	
Water system	

Design Concept Information

Sanitation system, including size and location of holding or septic tank, length of septic transmission lines and location of leach field	
Roof material and color	
Siding material and color	
Floor plan if cabin contains a loft or habitable crawl space	
Floor area (sq.ft) of habitable space	
Location and dimensions of doors	
Location and dimensions of windows	
Fireplace/chimney or flue materials, if any	
Propane location and line, if any	
Underground power location, if any	
Solar Panel location and dimensions, if any	
Electric Car Charger location, if any	
Exterior lighting, if any	
Other proposed improvements (retaining walls, sheds, water pump or well, etc)
